

Compliance

Services

2025

Decided you'd like our help after all?

Our team can help—just email owners@beyondbnb.ca. Please reach out with enough lead time (not the day before it's due!) so we can keep everything compliant and stress-free.

Please note:

License fees are an additional cost to the services below.

When we arrange licensing, our non-GST registered owners are encouraged to pay for licenses directly, or provide us credit card details, to avoid paying the GST that is added on when using our services.
